

Legacy Program

Recognizing Excellence in
Canadian Soccer

98 years of history

His story.

Her story.

Their story.

Our story.

It is time to recognize
those individuals who
have reached the
pinnacle of soccer in
this country.

Those who have
represented Canada
as Senior National
Team Players.

610 players
& counting...

have represented
Canada as Senior
National Team Players.

It's a privilege to
represent this country

Whether you
represent this country
once or on hundreds
of occasions.

As Vancouver Football Club gets set to play its inaugural season in the Canadian Premier League, we recognize we are the beneficiaries of a game that's made great strides forward.

From coast-to-coast-to-coast interest in football has never been higher.

These advances would
not have been possible
without the foundation
laid down by those that
have gone before...

Players like...

Hooper,
Mitchell,
Neil,
Dolan,
& Samuel.

Wilson,
Forrest,
Moscato,
Easton,
& Ring.

To honour the
contributions and
sacrifice of those from
the past and ensure
they stay connected to
our game, Vancouver
Football Club is
launching the
Legacy Program.

Whether you have one cap for Canada or one hundred, we would not be here without you.

Each one of you holds a unique place in our past. In order to recognize this, all players have been given a legacy number in order of chronological appearance.
